9024 COUNTY ROAD 3 NW, ORONOCO, MN 55960

2017 Fire Sign Application

1. Fire signs in New Haven Township are treated like mail boxes. They can be installed in the road Right-Of-Way (ROW). The resident owns the fire sign and the resident can do with it as they wish (e.g., move or remove). If a resident moves a fire sign, the resident is responsible for having a utility locate done before installing any sign post.
2. Maintenance around the fire sign to maintain visibility is the residents' responsibility, other than normal ROW mowing by the Township.
3. The cost for replacement for lost or damaged fire signs is the responsibility of the resident.
4. The resident cost for fire sign replacement or a new fire sign is set at \$50 per sign. Any additional costs above \$50 will be covered by the Township. It is anticipated the average cost picked up by the Township will be about \$10 - \$20 per sign.
5. Fire sign orders will be fulfilled by the Township at least once a year, usually during late summer or fall.
6. The Township Summer Road Maintenance contractor (Mike Wood) will continue to install fire signs and will be paid by the Township at his normal hourly rate. The Township does not sell fire signs and hardware without installation because that may have sales tax implications.
7. For any questions, please contact:
Dale Thomforde
New Haven Township Clerk
507-226-1082

See **www.newhaventownship.org** website for additional township information.
