## **Call for Crushed Rock Quotes**

New Haven Township is accepting quotes for road rock applied on townships roads in 2019. It is estimated that about 5000-6000 cubic yards will be needed this year. Quotes for road rock, class 5, 7/8th inch, should be provided by the ton and by the cubic yard. The unit price shall include all applicable aggregate material taxes.

Delivery should begin soon after spring road weight restrictions are removed and completed by May 26. Plan for delivery and spreading of at least 1000 cubic yards a day. Separate quotes for later delivery to township residents may be submitted, if desired.

All quotes received by 6:30 PM February 12, 2019, will be reviewed at the New Haven Town Board meeting, sometime after 6:30 PM, at the New Haven Town Hall.

Quotes should be mailed to: New Haven Township Quotes, 9024 Co Rd 3 NW, Oronoco, MN 55960, or delivered prior to the meeting. It may be helpful to have someone attend the meeting to answer questions that may come up at the meeting from the Town Board. Any quotes received will be kept in confidence until reviewed during the Town Board meeting on February 12.

For any questions, please contact the Township Clerk.
