Notes:

1. Red column headings denote calculated columns that were added - not in State Auditor report
2. State Auditor data for 2019 will be available mid-November 2020
3. Green highlighted cells in 'Reserves to Expenditures Ratio' column indicate townships within the range of 0.67 to 1.50
4. Townships with \$0 'Total Reserves' appear to be using a GAAP modified accrual basis of accounting and are not comparable
